The Chemawa second team went to Woodburn on Saturday, and defeated the second Woodburn aggregation by a score of 28 to 6. It was also a case of pounding ball. Paul Queachpalma played the star game with the stick, having several three baggers to his credit.

We are all very anxious for the field meet between the Y. M. C. A. Juniors and the boys of age 17 and under, which will soon take place on our grounds. The little boys are practicing hard running and jumping.

It is a prevailing fad to exchange pennants with outside schools and colleges. But at times it is rather hard to obtain the pennants to exchange. The Y. W. C. A. has realized this difficulty and has come as aid to the pennant collection with some beautiful Chemawa pennants which are made in three styles, or can be made to order, and will sell them at very reasonable prices. Any one desiring one of these beautiful pennants apply to President of the Y. W. C. A., Chemawa, Oregon.—L. F.

A game of basketball was played between the baker boys and the dairy boys; the score was 18 to 20 in favor of dairy boys.—H. H.

There was a great excitement during the Chemawa-Mt. Angel game on Saturday in spite of the fact that our boys were so far ahead and the score was 19 to 5.

The engineers are looking forward for a game of basketball with the dairy boys. ---F. S.

The Chemawa boys will shine next Saturday in the fifty-mile race.---F. S.

4th of May the big relay race is coming off and we expect to see our boys come out ahead at every station.---W. H.
