Always show respect for the religious services in chapel by being perfectly quiet and well behaved. Act there just as you would in a chapel in Salem.

When a boy is promoted in the middle of the term wouldn't you think he would study every minute of the time he is in school in order to catch up with those who have had months of work that he has not had? Any body would think so, but——

Do not chew gum in school. It is a very bad manner.

Albina Peirce is now Mrs. M'Clane. She is a former student of Chemawa, studied nursing here and in Albany and was recently married to Mr. M'Clane of Albany an engineer there. We at Chemawa wish her every happiness.

Mr. Goudge's talk on "the race of life" Sunday evening was a very good one.

## Y.M.C.A.

The meeting was opened by singing the song "At the cross". After the song was sung the meeting was devoted to a debate. The question was "Resolved; that the city association is more beneficial than the student association." The speakers were as follows: Affirmative, James Sloan, Eugene Williams and Webster Hudson; Negative, Peter Seltice, Martin Sampson and Gordon Hobucket; It was an interesting debate, for both sides brought up some strong points. While the judges were handing in their decision. Martin Sampson sang a bass solo. The judges decided in favor of the negative. We then sang another hymn, and adjourned after that.
