MEMORIAL DAY

Our school can appropriately be named "The Rose School." Thousands of choice rose bushes line all the walks and paths of the school and climb over the buildings of the institution. More than twenty heaping clothes baskets full of handsome roses were cut from the bushes yesterday morning to decorate the graves of loved ones. The day was appropriately celebrated. The entire student body and employees assembled in the school auditorium and the following program was rendered:

Song,— "Battle Hymn of the Republic"

..... School.
Lord's Prayer.

Recitation, — "Memorial Day."

..... Lizzie Frazier

Baritone Solo,— "The Sentinel."

..... Martin Sampson.

"Memorial Hymn,"..... Choir.

Memorial Address..... Col. Hofer.

The address of Col. Hofer was well received by the Indian students who appreciated the words of commendation and advice by the speaker of the day.

Then the line of march was formed and headed by the school band playing an appropriate dirge the entire audience to the number of over six hundred proceeded to the cemetery to decorate the graves of those buried there. During the day the school flag hung at half mast.
