

PUPILS' ITEMS

The gardens are looking very well. We all enjoyed the field meet last Saturday.

All of the graves looked very nicely on Decoration day.

We have already had two messes of strawberries.

A lawn social was given Monday evening which was enjoyed by all.

Only the 3rd and 6th grades furnish items this week.

We are having all the strawberries we can eat at present.

The dining hall girls were glad to see strawberries on the table.

Jennie Luke is getting to be a good cook in the domestic science.

Bessie Boles is now working in the mess relieving Lavina DeVault.

Annie Souvigner is now working on the floor in the small girls' home.

The girls that work in the domestic science are getting along nicely and will soon be good cooks.

There were four little boys went down to the river and they say they had a good time swimming.

John Miles, Maxime Barnaby and Joe Dillstrom have made some very good designs for book covers.

Mary Pablo, has made Alice McPherson two pretty summer dresses and will begin on a dress for Mrs. Tucker.

Miss Bowman said that she can hardly wait for the time to come when she will go to Alaska.

Instead of cheering for us when we defeated Willamette 66 to 42 in the field-meet, they gave a horse-laugh. We are taking notes on University manners.
