Self-control will succeed with one talent when self-indulgence will fail with ten.

When any one gets a little praise, please don't stand there ready to run them down.

When you're feelin grouchy Let the sunshine in, When your face gits feelin hard Crack it with a grin.

A man who can laugh outside when he is crying inside, who can smile when he feels badly, has a great accomplishment. We all love the one who believes the sun shines when he cannot see it.

After a boy has been let off for a week or two to have a good time while others remained at home and kept up the double work, he ought to appreciate the privilege and work hard to relieve them when he returns instead of scheming immediately upon returning, how else he could get off again. This is plain talk, let it soak in.

## ROLE OF HONOR GRADE I

Lydia Erough, Maggie Curl, Caroline Joseph, Eva Keluche, Frank Ryan, Richard Busby, Oscar Grant.

Lawrence Pablo, Thomas Smokolem and Wm. Mose are doing excellent work in school, this term.

The Institute at Los Angeles is an impossibility for the teachers this year as they are busy getting ready for commencement.

Our boys are learning valuable lessons while working on the railroad. They are making a name for themselves as good, faithful industrious workers.

The pupils in grade I have been much interested in their cherry lessons, and they now can tell you the names of the different varieties, that grow so abundantly in the orchards around Chemawa.

If you want to hear some good, lively, and up to-date music, step in grade I while the little folks are singing, "The Sentinel Asleep." They have aroused that old Sentinel, to such an extent, that he will never be guilty of going to sleep again while on duty.

## The Dead Come to Life

To be apparently killed by a stroke of lightning and then come back to life after sixteen hours is the remarkable experience of Mamie Curl, 16-year-old daughter of William Curl, living on McCloud River, three miles above the United States Fishery at Baird. The return to life did not come about until the coroner and autopsy physician arrived, the coffin being received at the Curl home an hour later.

Mammie Curl was a student at Chemawa two years ago.
