Albert Payne (our Albert) who is now playing in the Carlisle team is written up by the associate dpress as a Cheyenne Indian, 21 years old. How funny! Albert entered Chemawa Nov 16, 1898 aged 17, learned the game here and at Riverside and starred at both schools.

Chemawa's first football team have the foollowing games scheduled: November 19, Albany Athletic Club at Albany; November 23, Pacific University at Chemawa; Thanksgiving Day, Willamette University at Salem; December 7, Astoria Athletic Club (place not decided); we may possibly also arrange a game with Multnomah and Columbia of The Dalles.

The second football team last Saturday defeated the Salem High School second team by a score of 5 to 0. Our boys played a slow game and the final result does not give the relative strength of the teams. Chemawa was very much surprised to read in the Salem and Portland papers the Chemawa team, "presumably the first team defeated the Salem High School second team by a score of 5 to 0." Possibly the report was a slip of the reporter but it was strange Salem should have sent out this report to all newspapers.
