## The Uncle Sams.

On last Friday evening the Uncle Sams Literary Society gave us a very delightful evening—one of the most enjoyable we have had for a long time. The Chapel platform looked very attractive with the national colors in evidence and the members of the society in full uniform arranged in a semi circle. A large drawing of Uncle Sam was on the center of the stage. Nearly every member on the splendid program received an encore. Mrs. Ed. Smith, the critic, is deserving of much credit for arranging such a splendid entertainment for the youngest Society of the school.
