PLAYED TWO TEAMS.

Our boys played two games of baseball on our diamond last Saturday. In the forenoon they went down to defeat before the University of Oregon by a score of 10 to 1. In the first and second innings the Oregon boys piled up 9 runs before our team settled down to work—making some changes in the team at that time.

In the afternoon they took the Columbia University boys into camp by a score of 3 to 2—the winning run made in the last half of the 9th inning. Excepting the first two innings excellent ball was played in both games.
