Permisson was denied Geronimo, the noted Chiri Cabua Apache warrior, to travel with a "Wild West" Show this Season as one of the main features of the Show. This is a good thing for Geronimo and the Indians as a race. The old warrior will be required to remain on the reservation near Lawton, Okla., where he was sentenced to remain several years ago.

### AN OPEN MEET

On last Saturday we held an open meet for the 5-mile race. It was run at Salem on the Fair Grounds. First place was won by Harling DeVolt of the Oregon Agricultural College, running the 5 miles in 28:29-1-5, with Walter Haight second, eight feet to the rear. This established a new coast record which was formerly held by Fred Vernon of the Chicago Athletic Association, making a record on the 4th of August 1905 of 28:57-3-5. William Watkins was the surprise of the day, coming in a close third and up until the last couple of hundred yards it looked as though he might win the race. Amos Smoker and

Sam John were in bad condition and did not finish, while Walter Haight also was troubled with a pain in his side and a sprained ankle.
