The second baseball team won their first game of the season last Friday. They have not lost a game for two seasons to outside teams.

We were all surprised to see William Watkins come in so well in the five-mile race at the fair grounds last Saturday.

Eugene Anderson is waiting for a discus so he can practice for the coming field meets.

Eugene Anderson, is practicing hard on the weights: He is putting the shot between 38 and 39 ft. He expects to put it 40 ft. when they have a try-out for the track team.

The second base-ball team is hard at practice for the coming games.

CHEMAWA vs. DALLAS

Our baseball team defeated the team from Dallas Wednesday afternoon by a score of 9 to 8. The winning run was made in the ninth inning with two men on bases and no one out. Our baseball team returned last Sunday from a three-days' trip to Monmouth and Corvallis. It was a trip of hard luck. At Monmouth with the score 4 to 2 in our favor, our boys walked off the field owing to either the unfair decision or gross ignorance of the umpire of the game and as a result were handed a lemon by the Monmouth Normal instead of their expenses. Monmouth Normal has a reputation for unfair treatment in athletics. At Corvallis on Friday and Saturday we met our Waterloo, being defeated 16 to 1 and 4 to 1. The Friday game was simply a series of balloon ascensions taken by our boys. They returned to earth on Saturday, but were again defeated 4 to 1. Their treatment at Cervallis was cordial and agreeable.
