

Academic

Harry Queachpalma is teaching arithmetic in the sixth normal this week.

The seniors are very proud of their class pins which they received Tuesday.

The sixth grade Normal have an excellent arithmetic teacher in Harry Queachpalma.

Mrs. Campbell says we will begin practicing music for commencement as soon as examination is over.

The senior grade have a beautiful bed of geraniums around the fountain in front of the academic building.

The Junior Class is very anxious to have the final test, to see whether they will pass to the Senior Class or not.

The seventh and eighth grades' flower gardens are getting along nicely and we hope to have some beautiful flowers soon.

The different class rooms are all interested in the flower beds which they have planted around the school building.

The fine order in the school building is spoken of by every one. The boys and girls seem to enjoy the good order and the officers deserve credit for their efficiency.

It was announced Monday morning that the final tests would all be given during the first week in June. Some of the pupils who have been absent will have to study hard.

Katie Brewer demonstrated coffee making in the Domestic Science Department Tuesday afternoon. It was a very interesting subject. Belle Dillstrom also demonstrated. Her subject was "Tea Making." These demonstrations are a great help to the girls.

There is a pretty bunch of Colifornia poppies in the 8th grade school room. We

are always pleased to have flowers in our school rooms, for when we are discouraged we can take a look at them and think how long it took Mother Nature to grow such pretty flowers.—A. M.

The teachers for the sixth normal this week and next are Joseph Lane, Harry Queachpalma, Katie Brewer and Belle Dillstrom. The fifth normal teachers are Alex Cajete, John McCush, Joe Dillstrom and Albert Garry. The reports coming from the pupils of these classes are pleasing.

LOCALS

Hop Scotch is all the go with the small boys these days.

The farmers are now busy hauling gravel to the new "gym."

The geraniums looked very pretty on the reading desk and piano in chapel on Sunday.

Mr. Bowen and his boys have been busy this week improving the northern end of the grounds.

We are looking forward to an entertainment to be given by Miss Dohse and her pupils in the near future.

Mr. Herbert J. Campbell has returned to Spokane, having fully recovered from the effects of an operation for appendicitis.

Boys, keep your shoes blackened; brush your clothes and your hats. A slouchy looking boy is no credit to any school.

The Atlantic fleet passed Newport Ore., Wednesday morning enroute to Seattle. This gave the people of Oregon a chance to see it.
