Carl Cook is doing some fine plowing in the garden.

The dairy boys are white-washing the inside of the dairy barn.

Ruther Jake and Fred Wright entered the harness shop last week.

Mr. Bowen set out some geraniums around the cottage Monday afternoon.

We are glad to see the farmers plowing up the ground for school gardens.

Mr. George Picard ordered a wagon made here at the school yesterday morning.

The wagon shop is now full of bureaus and the wagon makers are repairing them.

Harvey Ashue says that he is going to help the boys to get the gymnasium done as soon as possible.

The sewing room girls will soon be ready to start in making the McBride Hall girls' percale uniforms.

Violet Edwards is now working in the hospital kitchen. She will be working there for about two weeks.

Minnie Picard is working in the sewing room. I hope in the near future she will be a good dress maker.

The domestic science department opened Monday for the cooking classes to take up their regular work.

The engineer boys are digging a ditch from the power house to the tower to lay the steam pipes to the pumps. In the past the pipes were over head.

Mr. Larsen and a number of boys were unloading cement and shingles from the cars on the switch last Monday.

The girls of the senior class are learning to do embroidery under the direction

of Mrs. Theisz. The girls enjoy the work as it is fascinating.

The sewing-room girls have finished McBride Hall girls' dresses and have begun on the small girls. They are looking forward to a picnic when they finish them.

Athletics

Our boys defeated the Eugene High School last Saturday by a score of 8 to 1. Chemawa played ball from start to finish and had the game from the start. Their scorer did not seem to understand the game and it was necessary to play 10 innings to convince them they were defeated. The score:
