

LOCALS

Philip Parns returned to his home in Washington last Monday.

Miss Skipton left yesterday for her vacation. She is going to visit her old home.

We are glad to see the race track in shape again for the boys who are training for the coming field meets.

The Girls' Mandolin Club will play in chapel, Wednesday evening, June 3rd, at which time they expect to render a pleasing program.

Mr. J. B. Johnson of Colfax writes: "Here are 3x3 for the result of the great relay race and congratulations to the victors and the school."

The recital given by pupils of Mr. LeRoy Gesner is to occur June 1st in the chapel of Willamette University. Chemawa people are especially invited.

Miss Lillian Stege, violinist, and Mrs. Mernie Hug, vocalist, will give a joint recital June 11th, to which they extend a cordial invitation to the people of Chemawa.

The month of May has been the most delightful month of the year. The May roses are very beautiful to a person who is from a place where they have roses in June and roses only once a year. The Chemawa grounds are trimmed with roses which are very pretty.

PROGRESSIVE'S PARTY.

As it is the custom of Chemawa's literary societies to invite their friends of the student body and employes to enjoy the evening, the Progressive Literary Society followed that custom Thursday

evening, May 21. The society is composed of boys and they, with their lady friends and a few of the employes, gathered in the auditorium to enjoy the evening. The order of the evening until refreshments were served was games and social chat, every one from the smallest to the largest enjoying it.

At the announcement of refreshments games ceased. Social chat and refreshments continued the remainder of the evening. How the refreshments disappeared can only be told by saying everything in sight was soon out of sight.

At the usual hour of departure the members of the society and their friends left the scene of enjoyment for their quarters, thus closing the first social event ever attempted by the society. Chemawa will hear of the Progressive again at the next literary season in a social way as well as a literary way. The success of the evening reflects much credit on the members of the society and their critic, Mr. H. L. Fickle.

Athletics

Our second ball team won its second victory last Saturday.

The boys are looking forward to a big try-out for the track team before long.

The athletes are glad to see the track in good shape. There is some good running going on every evening.

Our second baseball team went to Salem last Saturday and defeated the Y. M. C. A. Intermediates by the score of 10 to 1.

The race track has been disced and all the little stones picked up. The boys are out every night training for the track team try-out.
