	W	L	PC
Second Team	2	0	1000
Unions	1	0	1000
Tyee's	0	1	.000
Black Cats	0	2	.000

Chemawa now has a race that is well worth watching. The second, third, fourth and fifth teams have entered into a spirited contest for diamond honors, and every evening a game of five innings is played and the excitement shown would lead one to believe that a game between the Pacific Coast teams was being played when such remarks as, "McCredie to the bat" and "Pinnacle is the candy boy" can be heard on the side lines. Something doing all the time.

LOCALS

The work on the bachelors' quarters is being rapidly pushed to completion. When finished it will make a very nice home for our single gentlemen. The space is all assigned and the only regret is that the building is not a little more spacious.

The Chalcrafts returned from Seattle Wednesday evening in time for the Relay Cup presentation. Mrs. Chalcraft reports that every thing in the Sound City is on the go and the visit of Uncle Sam's war fleet took tens of thousand to the city.

Mr Smith and his force of plumbers have just made a wonderful improvement in the mess kitchen. After making and putting in a new wash sink, they were not satisfied to leave the kitchen as it was, so they calcimined the ceiling and walls, repaired the tables, cupboard, wood box and wainscoting, and then painted all the wood work and furniture, also altered and improved the wiring of the electric lights. Although the plumbers are not skilled in the use of carpenters tools or the calcimine and paint brushes, they were able to get good results as is evidenced by the work just completed, which is now ready for inspection.

An ice cream social was given last Monday evening under the auspices of the Young Men's Christian Association for the purpose of raising funds to send a delegation of four young men to an annual student Y. M. C. A. conference to be held at Long Beach, Washington, June 13-24, 1908. The cabinet of the association were pleased to see so many students attending, as it is that much better for the representation of the Chemawa association. The object of this organization is to promote the moral conditions of our young men, and to elevate the name of our own school—Chemawa. We extend our hearty appreciation to those who have attended the social as they are a great help towards our association.
