

LOCALS

Did you enjoy the Rose Show?

Mrs. Theisz's roses and other plants look beautiful.

We have beautiful flowers in our chapel every Sunday.

A big crowd was at the game on Saturday in spite of the rain.

This has been a busy, happy week; something going on every night.

Mr. Campbell and Miss Irene are busy early every morning playing tennis.

The A, B and C companies are out every morning drilling from six to half-past six o'clock.

Mrs. Chalcraft and Hallie have remembered their friends with pretty cards from Seattle.

The school chapel had some beautiful flowers on the reading desk and piano on Decoration Day.

The farmers have been busy hauling bricks from where the old barn formerly stood to its present location.

Miss Lena Hirsch, of Salem, and Mr. Brady, of Rhode Island, were guests of Miss Irene Campbell on Sunday.

Chemawa people are lucky to have had the chance of hearing Damrosch's orchestra and the great singer, Nordica.

Trains on the S. P. and on the Oregon Electric were all crowded with people going to the Rose Festival in Portland this week.

Some people came down from Silverton in an automobile to witness the game on Saturday. The Silverton pennants decorated their auto.

Y. M. C. A. gave an ice cream social last Monday night in order to raise enough money to send delegates to the

Y. M. C. A. convention at Long Beach, Washington.

We are pleased to acknowledge the receipt of an invitation to be present at the closing exercises of the Sitka Training School, which occurred Thursday evening, May 28th.

Mr. Stoudenmeyer will help our band very much. Our boys will feel confidence in such an excellent leader and take advantage of the opportunity offered them of perfecting themselves and bringing the Chemawa band up to its former standard of excellence.

The main walk in Chemawa has been called "Rose Avenue" for a number of years—roses grow on both sides of the walk. But we will have to call nearly all our walks Rose Avenue—Rose Avenue No. 1, Rose Avenue No. 2, etc. There is a beautiful Avenue of roses leading from the old hospital to the main walk, another beautiful one leading to Mr. Campbell's house, another one down to Mitchell Hall; in fact the whole place is a Rose bower with avenues of roses everywhere.

Academic

And now let us get busy with some good exhibit work.

The Seniors had an official ballot and all voted. They defeated female suffrage (too bad!), but voted for prohibition.

The office in the Academic building was cleaned and put in good order by Mrs. Campbell and the seniors on Friday.

The geraniums in the Seniors' flower bed are looking rather chilly, but this warm sun will soon warm them up, and then we will have beautiful red and white geraniums (school colors) around the fountain.
