THE RIGHT KIND OF AGENT

Boys, what do you think of this? A certain agency official in writing to two of our boys now home on leave says: "I have talked a number of times with both concerning the necessity of forming good habits here, as well as at school, and am positive that no two boys have conducted themselves as well during the past five years during their vacation; their conduct has been exemplary." This is a record of which these young men may be proud.—Weekly Review.

The plumbers have put electric lights on the deer park fence, which adds to the beauty of the grounds.

Lumber for the Sanitorium is in readiness and our boys began laying the foundations for the 16 open air buildings to be put up. There will be 8 buildings on one side and 8 on the other.
