## DIAMOND DASHES.

The thirty days' series of the Rose Avenue Baseball League came to a close June 30 with the Tigers far in the lead. Fourteen games completed the series. The Tigers, being the champions, they are now playing a series of three games with a picked team from the other three teams. This picked team, known as the Stars, won the first game.

A handsome silver cup was put up for the winning team and will be presented later.

Another league will be organized sometime this month to play something like ten games. This league is not named yet, but teams are already picked for it. The Band boys have organized a team for this league, and, as it is, things look pretty bright for them.

The following is the standing of the Clubs of the Rose Avenue Baseball League:

ROSE AVENUE LEAGUE

Tigers	13	1	.929
Unions	8	6	.568
Tyees	4	10	.284

The Brewer Hall League also came to a close. As two teams, the White Sox and Portlands, were tied at the end of the series, a championship game was played July 1. The White Sox easily won and are now the champions.

The following is the standing of the Brewer Hall League:

BREWER HALL LEAGUE

## THE CLASS OF '09

This is the class of nineteen-nine,  
 A bright little class, I declare;  
 With lessons all learned in the nick of time,  
 And they're smart to the roots of the hair.  
 The Seniors one day thought a trick they  
 would play  
 On the Juniors, a set of kids,  
 But back to their rooms they skipped the  
 next day,  
 And told a whole pack of fibs.  
 We mean to be Seniors, too, in time,  
 And we won't cut up all the while;  
 We'll set in our seats in a big straight row,  
 And study our lessons as we ought to do.  
 But let us be Juniors while we may,  
 For we'll be Seniors some time;  
 Then let us all join in this and say,  
 "Hurray, for the class of '09!"

—THOS. HOLDEN, '09.
