

CLOSING EXERCISES

(Fort Simcoe Indian School)

School closed Friday; June 26, with very enjoyable ceremonies. Every thing passed off smoothly and with credit to both teachers and pupils. A specially interesting exhibit was No. 8, in which the cooking class made several pans of biscuits on the stage, baked them to perfection and distributed them among the spectators before the program was completed. The sewing class, No. 15, finished an apron, sewed on buttons to clothes and darned stockings to the music of our excellent brass band of 12 pieces. The final tableau, "Salute to the Flag," comprised 50 girls with beautiful silk flags of all the nations, standing at "Salute" with a large American flag in the center of the foreground, while the band played "The Star Spangled Banner." It was a beautiful picture and was highly applauded. The Yakima School is very prosperous and has a fine lot of pupils, with an enrollment of 134.
