NO. 3

July Fourth

A Day of Athletic Victories.

July 4th was a day of athletic victories for the athletes of Chemawa. The events won were a four-mile relay, 50-yd. dash, two 100-yd. dashes and a baseball game. Not only did we win these events, but every boy who entered an event took a place over all competitors.

THE FOUR MILE RELAY.

At Salem our relay team won a silver cup from the Y. M. C. A. team of that city, which had hoped to win from our speedy four and had kept in training especially for this event while our boys were out of training. Frank Dan, Michel Wilson, Apis Goudy and Walter Haight ran for Chemawa, winning by sixty yards and 10 2-5 sec. Time 20 m., 16 1-5 sec.

50-YARD DASH

Levi Sortor and Antoine Francis entered in this event against five white athletes at Salem. Levi took first with Antoine a close second. Official time 6 sec. (The other timer caught it in 5 3-5 sec)

100-YARD DASH

Levi Sortor, Antoine Francis and Thomas McCully entered the 100-yard dash at Salem against seven white athletes and won first, second and third places in the order named. Official time 10 4-5 sec. (The other timer caught it in 10 sec. flat)

400-YARD RELAY

Frank Dan, Peter Casey, Antoine Francis and Thomas McCully won a silver cup easily in this event from the Woodmen of the World lodge of Salem. The time keepers were lost in the shuffle and no time was caught for this event.

BASEBALL.

At Junction City our boys with a weakened team crossed bats with the Fairmounts of Salem and defeated them by a score of 8 to 6. The Fairmounts had Keene of Salem High on the mound, but our boys touched him up for 12 hits while Washoe, who handled the sphere for us, only allowed them five. It was a pitcher's game and was our game from start to finish.

100-YARD DASH

Cyril Morrisette played third for Che-
