

LOCALS

Frank Gay from Siletz is among the latest arrivals at the school.

Mr. and Mrs. Smith attended the show in Salem Monday evening.

Monday night Mr. Campbell gave a lecture on how to vote which was very interesting.

Little Marie Mann made a big hit at the school entertainment on Friday night.

Many local subscriptions have expired. See that your subscription is renewed at once. We know you want the news.

Mr. Swaboda showed us all the parts of a bridge on Monday night and explained its construction. The students gave close attention to his talk.

Martin Sampson, of the Class of 1908, writes from Hampton, where he is taking a special course, enclosing a year's subscription to the American.

The ice cream social given Wednesday evening by the Y. W. C. A. was a grand success in every way. The social was so well patronized that standing room was at a premium.

We had nice programs at the monthly entertainment. We thank Mr. Turney for providing them for us. We understand we are to have them every month. We can save them and keep them as souvenirs.

The first monthly entertainment was given on Friday night in the school chapel and was very successful. The program is given elsewhere. The prettily decorated stage, well dressed and

well drilled children, all added to the pleasure of the evening. The salute to the flag given by the whole school was particularly well done.

ALBANY VS CHEMAWA.

The score was 7 to 0. We are sore all over. The least said is the best mended. We will not kick—but we can defeat ALBANY COLLEGE.

PUPILS' ITEMS

The new brick smoke stack for the power house is rising higher each day.

Mr. Fleming, who is coaching Chemawa's football team is giving them a series of new signals and plays this week.—J.M.

Martha Le Claire and Laura Harnden are taking nurse training now and they are very much interested in their work.

The eighth grade pupils were glad to welcome James Benjamin into their class after he had spent his vacation at home.

Last Tuesday was a beautiful day and we could see Mount Hood very plain, while up in Washington it is already snowing.—A. S.

The supplies for the Sanitarium came last week. The nurses were very glad and now they are busy opening the boxes and putting the medicine away in the Dispensary.

Since I have become acquainted here at Chemawa I like the place much better than at first, and the school is excellent. I have taken up the engineering trade and like it quite well.—D. H.
