CUTTING TABLE CLIPPINGS

The tailor shop is full of business—so full that we have no time for anything but work. And our productions are indications of our intention—first-class work consistent with our experience.

Our Junior football department is out with a challenge to any Junior shop team to play a game of football, such team members not to be more than fourteen years of age. This includes the sweepers, gardeners and kitchen boys. The tailor shop Juniors' football team includes so many valiant warriors that they come into the light of publicity fully prepared to win.

Conditions of the match are that any team accepting this challenge will be obliged to name its members and will be allowed four substitutes, such names and "subs" to be published with the acceptance in the Chemawa American, provided it meets with the approval of the proper authorities.
