INDIAN CHILDREN

GO TO CHEMAWA.

Superintendent Edwin L. Chalcraft, of the United States Indian school at Chemawa, Ore., made this city a short visit Tuesday afternoon. The Chemawa Indian school is one of the largest and best institutions of its kind in the United States. Here the Indian boys and girls are given, free of cost, comfortable homes and educated, each having an opportunity to learn, in a thorough and practical manner, some useful trade, which will enable them to become self-supporting. In addition to the great educational advantages which it holds out to Indian children, Chemawa is one of the most beautiful spots in Oregon. Many of the buildings are of brick and were built at a large cost by the government. The new hospital recently completed on the grounds is one of the finest in the state. The new gymnasium is also classed among the best in Oregon. Chemawa has become famous throughout Oregon for its beautiful rose hedges, flower beds, lawns, orchard and gardens. There are now over 500 pupils in attendance at the school, many Indian boys and girls from this country being among the number. The school has made rapid progress during the few years that Supt. Chalcraft has been in charge.—Raymond Herald.

CHEMAWA VS. FORT STEVENS.

Last Saturday our boys added another to their unbroken string of victories on their home grounds, by defeating Fort Stevens by the score of 31 to 5 in a fast, clean game—one of the cleanest ever played on our gridiron. The Fort Stevens team was a husky bunch, weighing 10 pounds to the man more than our team, and as they had been under the coaching of Lieutenant Farnsworth, who during his West Point career was picked by Walter Camp as the all American tackle, our boys entered the game with a good bit of trepidation, but the work of the week in perfecting the forward pass and getting down to solid work in line bucking had its result.

In the first half, by the use of the forward pass, three touch downs were made. The first one being made a minute and a-half after the kick-off by a spectacular series of forward passes and line bucks. The score at the end of that half was 16 to 0.

In the second half the Fort Stevens boys took a brace just after the kick-off and got a hold of a quarter back kick and Quimby, their star man, made a run of forty yards for a touch down. The Fort Stevens punter was out of commission. Two blocked punts netted Chemawa two more touch downs, to which was added a third by a series of line bucking, the score in the second half being 15 to 5 in our favor.

The Fort Stevens put up a good, aggressive, up hill game and stayed with it to the end, although it was demonstrated that the game was ours from the start.

Quimby and Cullen were the particular stars for Fort Stevens while Dillstrom, Sortor, Wilson, and Souvigner played fine for Chemawa. Graham's toe seemed to be out of commission as he only netted one goal out of six on a dry field.

Twenty-five minute halves were played. Officials, Lieutenant Keller and Mr. Flemming.
