## SOCIETIES

### Y. M. C. A.

Last Wednesday the Y. M. C. A. held their regular meeting. The attendance was much larger than usual and it is hoped that it will continue to get larger every meeting. The program was rendered in a very creditable manner. Mr. Williams led in prayer. The speakers of the evening were: Henry Dillstrom, Walter Haight, and Eugene Williams. Several hymns were sung during the intervals of the speaking. Mr. Haight gave the closing prayer.

### Excelsiors

The Excelsior Literary Society held its regular meeting in room 8. A little business was transacted and then we debated the question, "Resolved, That the High Schools should be supported by the State." Dora Clauson, Loulin Brewer and Anna Walker were the speakers on the affirmative side, and Helen Dillstrom, Walter Haight and Maud Lowry defended the negative side of the question. The subject was thrown open to the house and a few others gave their opinion. The result of the debate was that the judges decided in favor of the negative.

The home of Mr. and Mrs. Edwin L. Chalcraft was the scene of a pretty family reunion, Tuesday evening. Mr. and Mrs. Richard Pickering, of Albion, Illinois, father and mother of Mrs. Chalcraft, arrived after a long but enjoyable trip across the continent from Boston and were warmly welcomed to Chemawa. Mr. and Mrs. Pickering expressed themselves as delighted with the west, Oregon and the school. Their visit to Chemawa has been looked forward to with a great deal of happiness and anticipation on the part of their host of relatives in Oregon and the Northwest.
