CUTTING TABLE CLIPPINGS.

The tailor shop and every person in it joins in giving thanks for the many blessings received during the past year. We are thankful for the perfect peace that exists in our midst. Thankful for the good health that we all enjoy. Thankful for this great opportunity to prepare ourselves for a useful career while at Chemawa. Thankful for the bounteous supply of all the good in life. Thankful to our coach who guides our boys on to victory on the football gridiron. Thankful to our football boys who are wise enough to obey the admonitions of their instructor. Thankful for all things that come to us for the good of our school. Thankful for the turkey and the cranberry sauce that we enjoyed on Thanksgiving Day; for these things and all others we join and give thanks, first to God, who in his wisdom and providence so fully cares and provides for every want at this season of Thanksgiving.—THE TAILOR SHOP.
