

PUPILS' ITEMS.

We are all busy with our examinations this week.

We all enjoyed the Christmas social last week.

Wilbur Martin has entered the blacksmith shop.

Mr. McGill is visiting his daughters, Iris and Mary.

Mr. Luke is here now, visiting Jennie and Dora Luke.

Everybody enjoyed their holiday vacation last week.

Joe and Willie Gale received a fine Christmas box from home.

Peter John and Henry Evans are late additions to the kitchen force.

We all enjoyed the band concert which Mr. Larsen gave us last Saturday.

We had very a nice Christmas. We were very glad to have a week's vacation.

John Shakley is firing in the engineering department this week in the afternoons.

Lubova Siftsoff is expecting to take music lesson soon as she hears from her father.

Last Sunday a number of girls went out walking. They enjoyed the walk very much.

Martha Decker is one of Mrs. Cooper's best bread makers in the domestic science department.

Christine Victor is doing fine in her music lessons. She says she is going to be a good musician.

David Graham was running the small engine in Francis Kalama's place on Thursday afternoon.

Myrtle Wilson is now working in the

domestic science department and is getting along very nicely.

The Estelle Reel Literary Society met as usual Thursday evening. The girls gave a good program.

We all had a good time last Christmas Eve, Dec. 24, and we also had a good Christmas dinner, Dec. 25.

The big engine was out of order one day this week and was repaired by Mr. Van Tassel and Cyril Morrisette.

We were sorry to see Adaline Lott leave for her home last week, but we all hope that she will improve in her health.

Mrs. Harris intends to go away soon. We are all sorry to see her go, but hope she will have a pleasant trip on her way home.

The girls' basketball teams commenced practicing in the new gymnasium this week for the game which is to take place on Saturday.

In a recent letter from Abel Grant he states that he is now married, his wife being a Carlisle student. He also states that he is looking after the interest of his people at Lapwai, Idaho.

Miss Brown's sewing-room girls are doing nicely since the long holidays which we had. Since then the girls have hurried to get things out of the way, and will start on new dresses about next week.

ENIGMA.

I am composed of 17 letters,
 My 4, 9, 11, is a small animal,
 My 2, 15, 4, is the organ of hearing,
 My 7, 5, 14, 6, is what little girls like,
 My 3, 16, 10, 11 is a relative,
 My 1, 4, 2, 8, 17, is a lady's gown,
 My 13, 2, 10, 11, is a small coin,
 My whole was a welcome visitor last week.
