WHY NOT?

Why doesn't the executive board introduce a rule providing for the proper appearance of a basketball team in our school league? Such as, for instance, that every team must be dressed alike,

No boy will be allowed on the floor to play with a team without stockings to cover the leg from foot to knee.

No boy will be allowed on the floor with trunks shorter than knee length.

No boy will be allowed on the floor unless costumed in the proper costume of his team.
