Manager Eugene Williams of the basketball squad called a meeting Saturday in room No. 2, Mitchell Hall, to elect captains and make necessary arrangements to carry on basketball for the remainder of the season. Joseph Dillstrom was elected captain and Michel Wilson assistant captain. The basketball season is behind this year at Chemawa on account of the late schedule of football games. The best basketball players were members of the football team and the last game of the season injured the fastest men of the basketball team. Nevertheless the team will make a good showing before the season ends.

Captain Sortor will have his basketball men in shape in a short time and expects to walk away with the championship of the school again this year. Paul Queachpalma will have some scoring men on the field when the field meets take place in the spring. Harry's men will be capable of crossing bats with the best bag reachers of the school.
