

## LOCALS

New pupils continue to arrive at Chemawa.

And now we will get busy doing work for the Alaskan-Yukon-Exposition.

Teachers meeting was held on Monday evening in Mrs. Campbell's school room.

The Seniors and Juniors held a meeting on Friday afternoon to make arrangements for their annual Valentine party which will be held on the fifteenth this year, as Valentine's Day will be on Sunday.

The monthly entertainment held in the chapel on Monday evening was very creditable. The clarinet solo by Alex Cajete, the monologue by Christine Boswell and the shadow pictures by the eighth grade were particularly enjoyed.

Boys and girls, after you learn the patriotic songs you have been practicing every month this year, sing them, do not yell them as some of you did "Columbia the Gem of the Ocean" on Monday night. A well sung chorus is beautiful, but a patriotic song which is howled is quite the reverse.

### MONTHLY ENTERTAINMENT.

Owing to conflicting dates for various things the regular monthly entertainment for January was not given by the pupils of the school until Monday evening, February 1st. These entertainments are of undoubted value to all who take part in them and afford an evening of pleasure and instruction to the entire student body. The following program was given in a manner which was a credit to the pupils and their instructors:

1. Song—"Columbia the Gem of the Ocean"
