

## OREGON APPROPRIATIONS.

The appropriation bill as reported to the House of Representatives by the Indian Committee carries the following items of interest to Oregonians:

## OREGON

For support and civilization of the Klamaths, Modocs, and other Indians of the Klamath Agency, Oregon, including pay of employes, eight thousand dollars.

For support and civilization of the confederated tribes and bands under Warm Spring Agency, and for pay of employes, four thousand dollars.

For support and civilization of the Walla Walla, Cayuse and Umatilla tribes, Oregon, including pay of employes, three thousand dollars.

## SALEM SCHOOL

For support and education of six hundred Indian pupils at the Indian School, Salem, Oregon, and for pay of Superintendent, one hundred and two thousand two hundred dollars.

For general repairs and improvements, ten thousand dollars. In all, one hundred and twelve thousand two hundred dollars.

For general incidental expenses of the Indian Service in Oregon, including traveling expenses of agents, and support and civilization of Indians of Grande Ronde and Siletz Agencies, three thousand dollars.

Pay of employes at the same agencies, three thousand dollars. In all, six thousand dollars.

## MOLELS (TREATY)

For pay of teachers and for manual labor schools, and for all necessary material therefor, and for the subsistence of the pupils, per second article of treaty

of December twenty-first, eighteen hundred and fifty-five, three thousand dollars.

## LIVE ITEMS.

Sophia Hoptowit arrived Monday from Ft. Simcoe, Washington, and has entered the school.

The basketball boys will try conclusions with the team from Mt. Angel College tomorrow afternoon in our gym.

On Wednesday Supt. Chalcraft, Mr. Bowen, Mr. Mann, Paul Queachpalma and David Penny were called to Portland on business.

The carpenter shop is a busy place these days. When you enter the shop you find every bench occupied and the boys busy at something.

A letter from Agent Fred C. Morgan of Flathead Agency, Montana, states that there will be another party of pupils start from that point for Chemawa in the near future.

The farmers are now finishing cleaning a piece of land started by the butter makers but never finished. Soon plowing will commence in earnest and all three of our agricultural departments will be as busy as bees.

The harness makers are rapidly filling up the hooks of the harness room with good, substantial work harness, with and without breeching, and at the same time are making several sets of lighter harness for driving purposes.

The rose slips in the nursery are all doing well. We have between two and three thousand of them—choice ones. It was thought that the severe weather in January had killed them, but upon investigation we find very few are harmed.
