The wagonmakers have put together several hundred stools for use in the dining room.

The enrollment of Chemawa this year to date is 728. There are now present at the school 607 pupils.

Chemawa will hold a track meet with the athletes of McMinnville College some time early in June.

The gardeners have plowed up the old barn lot and we ought to have a good crop of potatoes from the rich virgin soil.

Rev Edward J. Conner and Mr Kash Kash of Pendleton have been with us this week visiting their children from Nez Perce.

The Chemawa print shop is now one of the neatest kept offices you can find. We can assure our readers that the towel will not stand alone.

Mr. Westley and the gardeners have prepared about ten acres of land which lies to the east of the school house and this will be Chemawa's strawberry and loganberry patch in the future. Logan berries being an added fruit to Chemawa's already prolific assortment.

A CAUTION: Never send money in a letter unregistered unless it is in the shape of a check or a money order. One of our girls has ten dollars worth of experience, having sent away this amount, which never reached its destination, hence she had to replace it.

Lona John's friends were glad to see her return to Chemawa from California with Judge Childs. Lona had completed her term of enrollment and had gone home on account of the sickness of her mother who has recovered and Lona brought her sister along with her.

Boys and girls store your minds with good reading matter. Do not read trash or sensational stories. Such truck will pull you down and make you a weak character. Ask your teachers or older friends what you will read. Consult someone. Show them and follow advice intended for your uplifting and betterment.

The big annual fifty mile race from Salem to Portland will be run Saturday, May the 1st. Chemawa runners are already sharpening their spikes and getting ready for the fray. The Portland Y. M. C. A. are making every effort to win this year and lower our colors, which have now been swung to the breeze for two consecutive years.

The orchardists are getting ready for winter spraying. The pruning has been completed. The spraying will be followed by Spring grafting. The boys of this department will do this work under Mr. Westley's supervision. The Chemawa boys get more practical work and instruction along these lines than the white young man attending the Agricultural colleges of the land.
