NEWBERG HIGH Vs. CHEMAWA.

Our boys and girls basket ball teams played return games with the Newberg High at Newberg last Friday evening. Our girls repeated their game of two weeks ago, winning by a score of 44 to 3, their opponents only making two points in the first and one in the second half. All three from foul line, which were thrown by Miss Hollingsworth, who made every try she made count. The score made speaks well for Chema-wa's guards, who deserve no little credit for winning the game. The score in the first half was 16 to 2, while our girls added 28 more points in the second half.

The line-up was as follows:

Chemawa		Newberg
Henry (18)	F	Hollingsworth
Jerry	F	Ward
Logan (4)	F	
Edwards (22)	C	Pierson
Olsen	G	Colcord
Gibeau	G	Smith, G.

The boys' game was very fast, the first half being 10 to 5 in our favor, C. Larkin throwing a foul for Newberg. In the Second half our boys added 12 points to their score, while Newberg added 9. Wiggins threw four fouls for us, while C. Larkin threw one for Newberg. A remarkable feature of the game, both boys and girls, was that all fouls were made to count. The line-up was as follows:

Chemawa		Newberg
Wilson (2)	F	Larkin, J.(4)
Clark (16)	F	Henry
Sortor	C	Larkin, C.(6)
Darnell	G	Brunton
Wiggins	G	Motschenbacher 2

Mrs. Theisz accompanied the team as

chaperon, Mr. Teabo as referee and Mr. Fickle as manager.

On last Friday evening the junior tailors were defeated by the office boys in a preliminary basketball game by a score of 4 to 1. Office boys were Lott, Williams, Dick, Wilson and Steel. The tailors were Busby, Luke, Barrett, Service and Bains.

DAIRY VS. BAND

The Dairy quintet played the Band boys off their feet last Friday evening, defeating them by a score of 28 to 6. The first half ended with the score 16 to 6 in favor of the milkers. In the second half the band hadn't a look in. The trouble was with the forwards of the band, who followed the ball out of their territory and were never on hand when the ball was at their basket.

The line-up was as follows;

Dairy		Band
Haight(14)	F	Queahpalma(2)
McGibbon(10)	F	Brown(2)
Dillstrom, H.	C	Taylor
Moses.	G	Purns
Nelson(4) ..	G	Miller(2)

Brevities

The farmers are making preparations to do their spring plowing and will be ready as soon as the weather is favorable.

The farmers have just finished blasting and digging out the stumps on the northwest corner of the farm. This adds much to the appearance and makes more land for cultivation.

Mr. Swartz sent one of the farm teams to Salem, Wednesday, to haul out the new boiler fronts. Their shape and weight made them very difficult to handle. The fronts weigh 1600 pounds.
