

INDUSTRIAL NOTES

BY PUPILS

Mr. Bowen and his industrial class were fixing the flower beds and cutting the tall grass around Brewer Hall, Wednesday.

Mr. Burdett and a force of boys were leveling off the ground around the lavatory of Brewer Hall on Tuesday and Wednesday.

Mr. Westley and Philip Purns made a trip to the Salem iron works in a hay-rack on Tuesday and brought back some fixtures for the Chemawa engineering department.

The lawn mowers have been in use last week and the lawns are in first-class condition. The rose bushes along the walks have been cultivated and it will be only a short time before they are in bloom. Sod has been placed in front of the new gymnasium and back of the small boys' home and the soil prepared for grass seed.

The remodeling work on the old hospital building, which is to be used for dress-making and domestic science department, is nearly completed. It has been replastered and a new floor has been laid in every room. The old wires have been removed and new ones put in. The plumbers are at work on the pipes and lavatories at present.

Nonpareil.

The Nonpareil Society met in their usual place on Thursday evening. Our critic, Mr. Enright, being absent, Mrs. Campbell acted as critic. The evening was spent in the election of new officers, as follows: President, Levi Sortor; Vice-President, Henry Darnell; Secretary, Calvin Darnell; Treasurer, Eugene Williams; Sergeant-at-Arms, Mary Gibeau; Assistant Sergeant-at-Arms, Eugene Anderson; Reporter, Mattie Zimmerman.

LOCALS

Joe Dillstrom went to Salem on Thursday.

Mrs. Donald Campbell entertains her friends with many beautiful selections on the violin.

Mr. and Mrs. Moran left Wednesday for Portland. It is understood that Mr. Moran will locate in Tillamook, Or.

On meeting the reporter Geo. Kross reminded him of his coming in thirtieth in the tryout for the fifteen, who are to eat on the training table on Tuesday.

Hartley Williams, Captain of Co. E, drills his Company every morning after breakfast out on the Athletic field. Keep it up, Hartley, and maybe you will win the cup.

The C. S. E. U. had a meeting on Tuesday evening in the instruction room of their department and made some rules, which will no doubt be of great benefit to the members of this Union.

Seldom a day passes without some boy or girl being made happy by the arrival of their parents or other relatives who come to visit and to see for themselves what "Uncle Sam's" educators are doing for the betterment of the sons and daughters.

The Honeyman Hardware Co. of Portland will present a silver loving cup to the winning team in the 50-mile Salem-Portland relay race to be run May 1. It is a handsome cup and will help to stimulate the contesting teams. Chemawa must sure win that cup and the ten gold medals to be presented to the winners.
