INDUSTRIAL NOTES

BY PUPILS

Frank Gay is the best wood splitter at the woodshed.

The gardeners went down to James Burdett's last Wednesday after 6,000 strawberry plants.

The plumbers are putting gaskets in the radiators in the domestic science and dressmaking departments building.

The blacksmith boys are making two large cement rollers or clod mashers. One for Mr. Chalcraft and one for Mr. Enright.

Haynes DeWitt was sharpening up the blades of the planers and fixing up other parts of the machinery in the carpenter shop the first part of the week.

Y. W. C. A.

The members of the Y. W. C. A held their regular meeting last Wednesday evening, April 7th. The meeting was opened by a song after which Miss Royer led in prayer. Roll was called and another song was sung. Belle Dillstrom read a scriptural selection. We then sang

another song, entitled "Safe in the Arms of Jesus." Helen Dillstrom was leader for the evening. Her topic was "Our Association Work." After she gave a good talk on the subject, Maud Lowry spoke a few words. The chairman of the social committee gave her report, which was satisfactory. We then had a season of prayer followed by the parting song and watchword. Just before adjourning, four new members joined the Association, they were as follows: Violet Berner, Dollie Case, Ellen Ferris and Annie Souvigner, whom we were all glad to welcome to our Association.

Brevities

A handsome silver cup has been purchased and is now up for the winning team of the Rose Avenue League. Last year the Tigers won the cup. Who will win this year? This league has a code of by-laws and carries it out to the dot.

The Y. W. C. A. gave an ice cream social in the new gymnasium last Wednesday evening in order to get the necessary funds to send delegates to the different conventions to be held during the summer months. Mr. Enright and Mr. Fickle were able to dispose of thirty-five gallons of ice cream, which speaks for itself that a large crowd attended. The band furnished music for the marches.

The Rose Avenue League is now down to business. There are quite a number of heavy hitters in this league and it looks possible that many of these boys will represent the school next year in the first team.

The following is the standing of the clubs:
