

BAKERY NOTES.

At present the bakery force is just O. K.

It takes 4,367 loaves to run the school seven days.

The bakery looks very fine now at nights when the lights are turned on.

Recently an item came in scoring for that grand old name, "Chemawa," another Great Big Hit, as six of the first names on the line-up below composing the Grand Ronde Indian baseball team are ex-Chemawa lads: John Sulkey, Pitcher; Edwin Lachance, Catcher; A. J. Hudson, Captain, Shortstop; John Kelly, Second base; Paul Lafferty, Left fielder; Martin Hartless, Center fielder; Andrew Riggs, First base; Mr. Tharp, (Teacher) Third base; Jack Langley, Right fielder.

The above team has played two games; won one 10 to 9; lost one 6 to 5.

A. J. Hudson is doing the Coaching. He is a graduate from C. I. S.

SMALL BOYS' HOME.

The babies at the Small boys' home like to drill.

Miss Frances Newcomb visited friends in Salem on Sunday and Monday.

The boys and girls are anxiously looking forward to the time when strawberries will be ripe.

We are sorry Charles Dick and John Darnell hurt their hands on the scraper last week. We hope they will soon be well.

Teddy Kluche says he will not be so fat the next time he goes out on dress parade because he sweat so much the first time.

We are very glad to have Frank and Lawrence Smith return to school. They said they had a very pleasant visit while they were at home.

The Small Boys are very much interested in a family of five kittens, four white ones and one gray, which made its appearance at the Small Boys' Home last week.

A number of boys who did not work any place were put on the garden detail.

A SMALL BOY.

LIVE ITEMS.

Warren Frye, who is only 26 months old, calls Mr. Chalcraft "Mr. Telegraph."

Mr. Smith and a force of boys cleaned out the grease trap back of the kitchen this week.

Mr. Smith and a force of boys graded and measured over the race track this week for use in practice and also for the field meet to be held here on June 5th.

A car load of 500 sacks of plaster, weighing 50,500 pounds was all unloaded from 1 to 5:20 o'clock Monday afternoon by eight boys and hauled by two teams.

A Chemawa fan says that "Our boys played a beautiful game with Mt. Angel last Saturday." The score was 2 to 0 against us. Chemawa doesn't care much for the "beauty," but for the "scores."

Mrs. Smith and Haynes Bateman have just completed unpacking and storing into place in the commissary 29 bales, 43 boxes, 52 bundles and 1 sack of government supplies, weighing 10,000 pounds, received from the Siletz School. These supplies received will be a great help to the school, as we now have more than 600 pupils at the school.
