

## WON THREE CUPS.

Miss Irene Campbell returned home Monday from Portland with three silver cups, won at the spring Handicap Tennis Tournament of the Irvington Tennis Club of "The Rose City".

Miss Irele was entered in the Ladies' Singles and Ladies' Doubles and won out in both events.

In the Ladies' Singles she won the handsome S. B. Lockwood cup, emblematic of the women's handicap championship for the year. This cup must be won three times to be the permanent property of the winner. She also received another cup for this event, which she keeps.

In the Ladies' Doubles her partner was Mrs. H. E. Judge of Portland. Their team work was excellent and had much to do with the winning of the event. Mrs. Judge's and Miss Irene's victory was quite a surprise to those who saw the games. In their final event they outplayed their opponents in two hotly contested sets. They make a strong ladies' team.

The Oregonian said, "That Miss Irene took all the chances offered in the Ladies' Singles, that she played a steady game and was the recipient of congratulations for the tennis she played all through the tournament."

Her Chemawa friends join in congratulations on her victories.

Miss Irene Campbell was the guest of Mrs. H. E. Judge at her beautiful country home, on the banks of the Willamette during the Irvington Tennis Tournament.

## TAILOR SHOP NOTES.

Monday afternoon Gideon Hanbury was very busy cutting out a coat.

Benny Bearchild is just finishing up one of the band uniform coats which seems to take everybody's eye.

The tailor shop is very quiet when Ralph Copeland is out.

Alex Covington has made four coats and they are very good coats. He said the next thing he is going to do is to learn to cut out a coat and then he will be all right. He is an expert at making trousers and he can cut them out just as easy as eating mush.

## WANTED AT ONCE.

Three boys of good character, who are ambitious and of a mechanical turn of mind, to learn wagon or cabinet making. I will give you one lesson a week in mechanical drafting and blue printing.
