SPECIAL NOTICES.

Specimens of class room and industrial work, and of the native arts and crafts of the Indian, will be on exhibition at the Unity Church, Nineteenth street and Broadway. This exhibit of school work will be especially helpful to teachers who have not been long in the service, as well as to the more experienced teachers desirous of acquiring a wider knowledge of what progress is being made in the various Indian schools.

An Indian orchestra from the Grand Junction Indian school, Colorado, will render both native and other music at the different sessions.

In addition to the sessions of the Indian department and the general sessions of the N. E. A., employees are requested to attend as many as possible of the sessions of the kindergarten, elementary, child study, manual training, and agricultural departments of the association, with a view to obtaining suggestions that may be applied to their work.

The Ministerial Alliance of Denver is planning for a number of interesting and instructive exercises, educational and patriotic, for educational Sunday, July 4, 1909, and all employees who can do so are urged to arrive in Denver in time to attend these services.

The local executive committee is making arrangements for a number of interesting exercises with which to close the convention, the details of which had not been perfected in time to announce in this programme, but visiting employees may be certain of a pleasant as well as a profitable sojourn at Denver.

CONGRATULATIONS.

The tailor shop wishes to congratulate Miss Irene Campbell upon her victory over all her competitors in the recent tennis tournament held at Irvington.

It is quite the proper thing now-a-days to go fourth from Chemawa and return a winner, as was evidenced by our baseball team which journeyed to Eugene, the home of the Oregon University, and met and vanquished that machine like aggregation of ball players. And in the afternoon played them to a stand still to the tune of Chemawa 3 Oregon University 4, after ten innings of play. The tailor shop wishes to say that's going some.

We congratulate our boys upon the showing. Keep it up and may Chemawa never lose. TAILOR SHOP.
