(Round-Table Conferences.)

Superintendents' and Physicians' Section, Teachers' Section, Matrons' Section, and Industrial Section.

NOTE.—Topics for discussion will be announced by the chairman of each section.

About sixty girls attended the picnic given by Miss Brown to her girls on Monday afternoon. About one o'clock the party left the school in wagons supplied by Mr. Swartz and some of his farmer boys and proceeded east some three or four miles to the alluring banks of the Puddin river, where they picnicked for the afternoon. They had a fine lunch in the evening and arrived home shortly after sunset, declaring that they had enjoyed the outing very much.
