

LOCALS

The 50 Mile Relay team received their handsome medals just before the close of last term. Owing to the medals being ordered from the east they were delayed and although the race was run May 1, it was not until August that they were in the hands of the runners. These handsome trophies were presented to the successful team by ten business firms of Salem. The donors were the Salem Woolen Mill Store; Steusleff Brothers; R. D. Gilbert & Co.; Belle Confectionary; J. L. Stockton; Trover Photo Co.; Price Shoe Co.; Watt Shipp; Barnes Cash Store; and The Toggery. The members of the team, and the school extend to these gentlemen our sincere thanks in addition to the Honeyman Hardware Co. of Portland who presented the cup. The Medals and Cup are the handsomest received in any of our relay contests.

We were surprised today to have Mr. Antoine Caisse drop in on us with his son Master Byron Caisse who was born in Chemawa while Mr. Caisse was employed here as clerk. Mr. Caisse is now in the Forestry Service and located at the Angeles National Forest with headquarters at Los Angeles. Mrs. Caisse did not come with him, but Mr. Caisse says she is enjoying good health.

The farmers and dairy apprentices are busy turning the corn into insilage for the use of our herd. We have two fifty ton silos which will be filled with this feed, which in addition to several acres of kale which will be available all winter and will give us plenty of excellent green feed.

Rev. E. J. Conner dropped in this week

bringing back his two sons Cyrus and Gilbert. Mr. Conner attended meetings of the Presbytry at Newburg and Portland enroute.

Mr. Wm. Towner of Siletz brought his three sons, Gilbert, Elwood and Lewis to the school this week. The boys had been spending their vacation at Siletz.

Mrs. Campbell returned from Spokane Wash. on Friday. Mr. Campbell met her and their son, Donald at Seattle where they visited the A. Y. P. exposition.

Mr. Donald P. Campbell editor of the Inland Observer of Spokane, Washington, arrived here on Friday night and spent several days visiting his parents.

The roof of the gymnasium is finished and the first sociable of the school year will be held tonight. We expect good music from the band.

A letter has been received from Lester Spencer who is at Fort Ruger, Honolulu. He expects to be back in the States this winter when his enlistment in the army will have expired. He is in the Artillery Arm of the service.

Jessie Tuftie arrived at the school yesterday from Warm Springs.

The electric dish washers have at last arrived and will soon be installed in the pupils dining room and Hospital kitchen.

Miss Condit the Southern Pacific agent at Chemawa is away on vacation this month.

The Aermotor is now merrily turning to the breezes that come from the west. It is not yet connected to the well but will be in the near future.

Chemawas roses are beginning to put out their fall bloom.
