

(Continued from page 2.)

The girls have an excellent Mandolin Club, the instrumentation consisting of violins, guitars, mandolins, cello, double bass and piano. Vocal music will be taught to those desiring it and piano lessons can be secured by those wishing to take them.

8. The Domestic Science department has a separate building especially adapted for the purpose and the facilities of Chemawa in this line are equaled by only one other school in the Service.

9. In the Literary Department, the instruction covers the branches taught in Grammar schools of the country.

Some information about Chemawa might be interesting. The school was established by Major Wilkinson, February 25, 1880, being the second oldest Non-reservation School in the United States. From a small school as then established of twenty-five children it has grown step by step and year by year. Last year was the most prosperous in its history. The total enrollment for the year being 775 pupils, having an average of 615. The school year closed with 382 boys and 266 girls on the rolls. Under the new regulations it is now up to the parents and the guardians and the pupils to decide which school they desire to attend. Certainly the attendance the last year speaks volumes for the continued prosperity and good name of Chemawa.

Now a last word to the Indian parents and Indian young men and women desiring an industrial education at the Chemawa school. If you desire admission this term write at once to Supt. Chalcraft.

If you want to enter Chemawa as a pupil fill in the space below, cut it out and send it to Supt. Chalcraft, who will immediately send you application blanks.

#### PUPILS' ITEMS.

We are all anxious to know who the next doctor will be. But very sorry that Dr. Lieurance is leaving. We hope that he will return some day to Chemawa and we wish him good luck.

The pupils of the seventh grade are doing splendid work. Not a single "drone" in the class; and we are looking for some good averages to be made during the year.

Frank Sorrel is expecting to make the first team of the Chemawa football team this season. We hope that he will make good.

Football season is now in full blast at Chemawa. The boys are out practicing very hard for a place in the first team.

Eva Seymore is working in the sewing room this week, after she has been working in the laundry for two weeks.

We are using slates instead of papers. Several of the sixth grade were complaining: "Some one broke my slate pencil."

Joseph Simpson from Alaska has entered the tailor shop recently and is doing good work.

Mr. Campbell went to Portland on Monday on school business.
