

## Chemawa Indian School.

Chemawa is located on the main line of the Southern Pacific railroad five miles north of the City of Salem, the capitol of Oregon. It is the only Indian industrial school in the northwest corner of the United States where you can get an industrial education. Many Indian young men, who were graduated from Chemawa, have good positions as blacksmiths, mill men, tailors, engineers, electricians, farmers, and many other businesses earning a good living for themselves.

The Oregon Electric R. R., which has sixteen trains daily between Salem and Portland, passes through Chemawa.

In point of location, climate, resources, sanitation and environment, Chemawa is unexcelled. Its grounds are covered with roses, are extensive and dotted with tall Oregon firs, which are green the entire year.

The school has been called "The Rose School." It has 341 acres of as fine agricultural land as there is in the United States. Has over 40 acres of prolific orchard and the fruit of this is very abundant, producing enormous quantities.

The buildings are all modern and up-to-date and the Industrial departments are unexcelled.

**To Those Wishing to Enter the  
Chemawa School Please  
Read Carefully.**

1. All pupils must be at least, one fourth Indian; healthy and of good moral character.

2. All new pupils must be fourteen years of age or over.

3. If you live on a reservation or are under the supervision of an Agent or

Superintendent, you must apply to him for transfer and railroad tickets. This should be done immediately and write the Superintendent of Chemawa that you have done so.

4. If you are not on a reservation, you should write Supt. Edwin L. Chalcraft, Chemawa, Oregon, and tell him about yourself, age, tribe, etc. He will then send you application blanks and order for tickets, if you are eligible for enrollment.

5. Chemawa has an Industrial equipment and facilities, surpassed by none and equaled by few schools in the Service. The trades taught are as follows: The girls are taught to be good house-keepers, to which is added special instruction in Dressmaking, Tailoring and Nursing. The School has a Domestic Science Department. The boys are taught Farming, Dairying, Gardening, Carpentering, Wagonmaking, Blacksmithing, Shoe and Harness Making, Tailoring, Baking, Steam and Electrical Engineering, and Plumbing.

6. Chemawa has exceptional advantages for giving instruction in farming, dairying, gardening and in the care of orchards, and with her engineering facilities is unequaled.

7. The Chemawa Band has a reputation extending over the entire Pacific Coast. Boys who have had band instruction in other schools are especially desired to continue their music at Chemawa.
