

CHEMAWA vs. O. A. C. FRESHMEN

SCORE 12 TO 5.

We played our first game this season with the O. A. C. Freshmen on last Saturday at Corvallis and won 12 to 5. The game was fast for the field which was soft and mushy. After 7 minutes of play the ball was given to Walker in the middle of the field on a Criss Cross play and he got away from the bunch and with the assistance of good interference he put the ball over. Souvigner kicked goal. The rest of the half the ball was punted from side to side until just before the end of the half with the ball on our 20 yard line one of our subs said "Go at 'em boys"—penalty 15 yds. Then for off side play by our boys the ball was advanced to the 2½ yard line and after two line bucks the ball was over. No goal. The half ended 6 to 5 in our favor.

In the second half we had things our own way, our goal not being in danger at any time. After about 10 minutes of play the ball was given to Smoker and with an end run he put the ball over. Souvigner kicked goal. Score 12 to 5. From this time on our boys played a defensive game.

PUPILS' ITEMS Continued.—

Alex Pable, from Ronan, Montana, a late arrival, has enrolled in the Chemawa Training School.

The wrestlers are training again. Mr. Teabo is in charge of the club which numbers about twenty.

A letter was received from Lena Ashue, in which she states that she is a dress-maker at Fort Simcoe, Washington.

Mr. Van Tassel had a box made to hold 250 pounds of coal. In this way it is easy for the firemen to know how much fuel he is burning.

The blacksmiths are getting out 125 3-8 rods, 28 3-4 inches long this week for the wagon makers who are to use them in making tables for the dormitories.

The side walk commenced at Mr. Van Tassel's cottage by the carpenter boys is not progressing very rapidly on account of the continuous rainfall of the past week.

Leanoire Rainville, one of Miss Campbell's pupils played a very pretty piece on the piano for the Nonpariel Society last Thursday, which we enjoyed very much.

The following girls of Small Girls' Home are taking piano lessons of Miss Irene Campbell: Lilly Braden, Serena and Norah Picard, Christina Boswell and Alice McPherson.

I came to Chemawa Indian School just on a visit and I like the place very well and I thought I would stay and learn some kind of a trade and I am hoping to learn a very good trade while I am in Chemawa.
