

PUPILS' ITEMS LEFT OVER FROM LAST WEEK

All the boys were glad to see Thanksgiving day came.

Dollie Case can be heard practicing very hard on the piano.

The football boys are doing well this year. They have not lost a game.

We all enjoyed seeing the slides shown by Mr. Chalcraft Saturday evening.

The carpenters have just finished four nice tables for the domestic science.

Lillie Braden can be seen at any time of the day making gloves for winter use.

Robert Jake is one of the most industrious boys that Mr. Cooper has on his detail.

The dining hall girls were busy decorating the dining hall for Thanksgiving this week.

We were glad to hear that Simon Matthews is coming back on the 29th of this month.

We are all sorry that Helen Dillstrom is very sick and hope that she will soon be well again.

Mary Gregory is now working in the mess taking Annie Johnson's place on account of her illness.

A letter was received from Bessie Meanus stating that in the future she may return to Chemawa.

Maggie Spencer received a postal from Ida Johnson, stating that she is well and is working for a very nice family.

The band boys are looking forward for the new pieces which are coming so that they may have them for practice.

The next game is basketball, so let us get busy and organize a good, strong team to represent Chemawa this year.

Leona R. John recieved a letter from Dora Goodman saying she is coming back to Chemawa.

A letter was received from Lena Ashue in which she stated that Katie Henry will be here to visit the school in the near future.

One of the girls is afraid to have the dentist fix her teeth this week, because she said, she didn't want to miss the Thanksgiving dinner.

CABINET SHOP

Mathew Simpson does his work good.

Mr. Flett is making a waste paper basket.

We have just completed a library table for Mr. Cooper.

Thomas Reed, just finished six ironing boards, the folding variety.

Mr. Flett is an-all-round furniture repairman.

Peter Bushman is now making a library table for Mr. Swoboda.

Boys you never will have a better chance to learn cabinet work than at present.

Nathen Nelson is a hustler, he is willing and tries to do his best.

Frank Feliz is a new addition to this department, he is civil but has not been in my shop long enough to tell of his skill.

We have orders to make a complete set of reception room furniture of high class for Domestic Science. Inspect it when it comes out.

Yes we have our 125 students tables pretty well along towards completion. In a few more days we shall commence 100 more tables for the large dining room.
