

We are all glad to see Katie Underwood back in school again, after staying in the hospital for a few days.

We had a very nice musical concert last Wednesday evening. Father Datin sang two very nice songs.

We are all glad that Christmas is near, and are anxious to see Mr. Santa Claus with his pack on his back.

Emma Shepard and Dollie Case entertained some of the McBride Hall girls with some very pretty duetts on the piano and mandolin on Sunday afternoon.

The band has laid all their old music away, and picking up new ones. The members of the band will have to get in and practice, because they have lots of new pieces coming.

The Y. W. C. A. held their meeting in McBride Hall last Wednesday evening. The meeting was opened by a song, "When the Mists Have Rolled Away." Roll was called and the minutes of the previous meeting were read and stood approved. Reports from the different committees were called for. Three new members were enrolled: Allah Madison, Emily Moss and Belle Dillstrom. Martha Decker resigned her position as Secretary and Belle Dillstrom was elected and took the chair. Anna Walker, being the leader for the evening, then took charge. Her subject was "Faithfulness." A very interesting story was read by Miss Royer, after which she spoke many encouraging words on the subject. Bible verses were read by different members. A season of prayer was then called, and we adjourned.

Exchanges

One of our exchanges suggested that the Chemawa American ought to have an exchange column, and here we are, trying to follow the advice from a sister school.

We regularly receive a great number of exchanges and really do not know which one to mention first. At present we have on our desk the Thanksgiving number of the News. It contains some very good and appropriate stories. It is a paper that the Eugene High School ought to be proud of.

The Clarion, of Salem High School, is also a Thanksgiving number. It is a very well appearing paper except it did not contain any cut.

The Normal Record is a well edited paper from Chico. Perhaps it is one of our best exchanges received at this time. The football and the basketball teams' cuts are very clearly printed. The picture of the Staff adds greatly to the dignity of the paper.

The cartoon in the Tocsin is a very clearly drawn idea and it is very humorous. It is a first class paper and judging from the number of its advertisements it shows that the business manager is a hustler.

We are glad to acknowledge the receipt of the following papers this week:

"The Sherman Bulletin," Riverside, Cal., "The Arrow," Carlisle, Pa., "The Clarion," Sacramento, Cal., "The Review," Galveston, Texas, "The Cardinal," Portland, Ore., "The Southern Workman," Chillico, Okla., "The Huisache," San Antonio, Texas, "The Mirror," Bethlehem, Pa., "Gold and Blue," Salt Lake City, Utah, "Willamette Collegian," Salem, Ore., "The Pharos," Victoria, B. C., "Oregon Emerald," Eugene, Ore.
