

KLAMATH FALLS Vs. CHEMAWA.

Our boys defeated Klamath Falls basketball team on Wednesday evening by the score of 37 to 15 in a fast game. The visitors were out-classed, our boys playing rings all around them.

Klamath Falls made but three baskets from the field, thrown by George Du-Fault, one of our former students. The rest of their points were made from the foul line with the aid of the referee, Jewett of Roseburg, who thought he thoroughly understood the game. Toward the end of the game, his calling of fouls was really laughable, but as we were winning, we continued to laugh.

The first half ended with the score of 14 to 7 in our favor. The second half our boys added 23 more points while Klamath Falls added 8 points; one from a field goal and six from the foul line.

Twenty-minute halves were played. Officials: Referee, Jewett, of Roseburg; Umpire, Larsen of Chemawa. The lineup.

LOCALS

Dr. C. D. Fulkerson has arrived at the school and entered on his duties as school physician. The doctor was accompanied by his wife and son Donald. The doctor has been in the service for a number of years and prior to coming to Chemawa was superintendent and physician at Fort McDowell, Arizona.

The Chemawa print shop is working to its full capacity. In addition to the Commissioner's report that is nearing

completion, the printers have printed great quantities of blanks for several other schools and agencies and kept up the supply of blanks for the use of the school. As soon as the Commissioner's report is out of the way, work will be started on Miss Reel's report, which work has been assigned to the Chemawa Office, on account of the grade of work which our printers are turning out.

The store-house at Chilocco was burned last week. All supplies were destroyed. The origin of the fire was unknown. This is a very serious loss and Chilocco has the sympathy of Haskell.
 —The Leader

The plaster taken from the walls of Mitchell Hall was hauled away this week by a force of boys.

The list of the games to complete the first round in the school league is framed and hung up on the west end of Brewer Hall.
