

## "DEFEATED"

To begin with it was the "Oysters" that defeated our basketball team last Sunday noon in a very fast contested "game" given by Messrs Chas. Larsen and F. Jayme in the students' dining room. That the dinner was fully appreciated was evident. The boys on arriving at the table looked at each other in surprise and wonder as to how it came about.

We found the table loaded with goodies, and the other dishes were served in order by Miss Bertha Spencer, who made a very nice waitress. Miss Skipton arranged the table most tastefully and supplied some things which were lacking to make it a "swell" affair. Mrs. Liphart and Mrs. Marshall's cooking was certainly an excellent recommendation that they are well trained cooks. May there be many more "games" of that sort to defeat our team.

## A NEW RULING.

Tacoma, Wash., Feb. 5.—(Special.)—The Federal Government received a set back today in its efforts to prevent the sale of liquor to Indians when the Superior Court sustained a demurrer in the case of J. B. Mamlock, one of eight local saloonmen arrested under a new state law, accused of selling liquor to Indians of more than one-eighth native blood.

The prosecutions were begun by G. A. Miller, special agent of the Interior Department.

The court holds that, if the Indian is a ward of the government, the defendant must be prosecuted under Federal laws. Agent Miller says the prosecution is not required to prove the status of the Indian and authorized an appeal to the State Supreme Court.

## A SURPRISE.

A surprise party was tendered Miss Hattie Mann last Friday evening, the occasion being her—steenth birthday. A large birthday cake occupied a conspicuous place and with lighted candles around it made a pretty sight. The guests, married and otherwise, indulged in the customary pastime of blowing out the candles, and if it were a true indication of the future action of the participants we would advise Mr. Henderson to get a good supply of rice. After a number of songs were sung Mrs. Mann, assisted by Mrs. D. F. Driscoll, served light refreshments. As the hour being late all declared that they had spent a happy evening and wishing Miss Hattie many more such happy birthdays they bade all goodnight.

Washington, Feb. 7.—Senator Curtis of Kansas, today introduced to President Taft eight Kaw Indians. In honor of the occasion the braves were attired in gorgeous native costume. One carried a shining tomahawk, while another fanned himself vigorously with an eagle feather fan. Altogether the Indians made the gayest picture seen at the White House for some time.
