

## PUPILS' ITEMS

The battalion has commenced to drill. Lizzie Martin is now the dining hall sergeant.

We will be through pulling stumps this week.

Elwood Towner says he likes to work at the office.

John Brown works in the engineering department.

The carpenters are making screens for Mitchell Hall.

Baseball practice was begun on Monday afternoon.

The girls were all glad the detail changed Monday.

Nellie Spencer is making her sister Bertha a nice new dress.

Martha LaClair is making a pretty blue dress for Ella Evans.

The boys are training for the relay race from Salem to Portland.

The gardeners are training the loganberry plants and are nearly through.

The small gardeners were working in the stump patch on Monday.

Albert James and Willie Luke are training for the fifty-mile relay race.

There will be a public debate soon between the Reliance and the Excessors.

Bessie Clark is making Alice Sam a pretty white dress and is doing neat work.

Mr Westley is replanting his loganberry plants east of the school building.

Grace Benjamin, who has been working in the hospital, has left us, and we are all sorry for we miss her very much. We hope she'll be back again.

The Tigers defeated the Unions last Monday evening by the score of 4 to 2.

Ten boys went from here to set out an orchard of five hundred acres west of Gervais.

Nellie Boswell is making Pearl Durkee a nice dress. She will have it finished this week.

Matilda John likes her work in the domestic science. She hopes to be a good cook some day.

Robert Dundas and Lawrence Mahach were promoted to the third grade A, the first of April.

Miss Royer took some girls out for a walk last Sunday evening and they all enjoyed their walk.

Miss Grear always reads some very nice stories to the fifth grade girls which interests us very much.

Miss Oliver took her hospital girls for a nice long walk last Sunday and we all enjoyed it very much.

Matilda John is chief cook in the domestic science and Laura Cochran and Minnie Boye are her assistants.

Last Saturday the band boys were hustling around, because Mr. Larsen gave them examination on music.

We were all glad to see Francis La Bonta and Lolina Belleque back to school again after being home for a short visit.

Most of the boys are trying to get a place in the fifty-mile relay race this year and they are starting to train this week. We hope they will win out again this year.

Beatrice Guyette and Laura Wilson are making some very pretty fobs of beads, and are making some with initials and some with C. I. S., and others the word Chemawa on them.
