EXCELSIORS' RECEPTION.

Last Tuesday evening the Excelsior boys entertained their friends by giving them their "Annual Doings," in the gymnasium. The room was tastefully decorated and presented a pretty sight with the hundred students and employes going through the evolutions of the grand march, led by Mr. and Mrs. Cooper to the strains of music by the Excelsior band. Various games were played and a number of songs were sung by wandering musicians, who seemed to enjoy the evening. Many found enjoyment in playing checkers, dominos, finch and other table games.

At a late hour light refreshments were served, and after all had sampled the "goodies" placed before them and just before saying "Good-night," President Sampson called Harry Jones of the Reliance Society to the front and in a few well-chosen words presented to him the pennant with the words "Excelsior '10" on it. Mr. Chalcraft, Mr. Campbell and Mrs. Campbell were called upon for remarks and responded with words of encouragement. We were reminded that the hour was late, so with thanks for a pleasant evening and a good-night we departed for our quarters. Long life to the Excelsiors.

CHEMAWA-MT. ANGEL.

Last Saturday the strong team from Mt. Angel College, fresh from their victory over O. A. C., defeated our boys on our diamond by a score of 9 to 6. From the first of the game it looked as if we were to win easily, as we secured 3 runs before Mt. Angel awoke to the fact that we were pounding their offerings for scores. Shieber, who, by the way, is one of the best amateur pitchers in the valley, was called from first base and from this time on we could do very little with the stick. Costly errors by our boys allowed them to run 3 scores in the 7th inning. However, we do not feel discouraged by this defeat, as Mt. Angel has a team that ranks with the best college teams in the state, and by holding them to a close score we feel that we have played a good game. Umpire, Smith. Score by innings:

	1	2	3	4	5	6	7	8	9
Chemawa - - - - -	3	0	0	1	0	2	0	0	0
Mt. Angel - - - - -	0	0	2	0	3	0	3	1	0

THE ESTELLE REELS.

(Continued)

"It (the Excelsior Society) has been, beyond a doubt, the leading society this year, and when the others seemed on the verge of total annihilation by the lack of interest," etc. (Chemawa American, May 13, 1910.)

It came as a complete surprise to the Estelle Reel Society to learn that, as "one" of the "other societies" it had "seemed on the verge of total annihilation this year," as the report of the Estelle Reels which follows proves it to be anything but dead: No. Members, 35; No. meetings held, 19; Average attendance, 33; Public entertainments, 1.

Does that sound like total annihilation?

Mrs. Henri, mess cook, was called to Portland suddenly on Monday on account of the sickness of her daughter.
