Supt. Chalcraft and family visited Portland on Wednesday.

It is arranged now so that brothers and sisters may eat at the same table in the dining hall.

The printing force is somewhat weakened this week, on account of John Service, Robert Service, Patsy Barrett and Jasper Grant picking loganberries.

Alvina, Arthur, William, and Gabe Sandsaine were the pupils enrolled this week from Cascade, Montana. They formerly attended the Ft Shaw school in that state.

Our baseball team left for Brownsville yesterday for a series of games at that place during the celebration of the Brownsville Pioneers' Association. Mr. Campbell accompanied the team.

Henry Red Cloud, a Winnebago Indian, is a member of this year's graduating class at Yale University. No greater test of the highest mentality could be asked of any man.

Mr. Wm Boswell, of Cordova, Alaska, arrived at the school Wednesday for a visit with his children. It is five years

since he was here and he notes many changes in the place. Mrs. R. H. Hardman, of Seattle, a relative, accompanied Mr. Boswell on his trip here.

Superintendent Chalcraft while in Montana saw Bessie Lahr whom he says is getting along nicely, and he brings the information that Ollie Inman is Mrs. Hyman Crawford, and that Edith Inman is the wife of Mr. Ira Masterman, and Lizzie Galbreath is Mrs. Harry Mann, and Lizzie Hankle is Mrs. Oscar Peterson — all having good husbands and nicely settled and doing well.

Mrs. Doherty's brother, Fred H. Hart, well, of the firm of Senator Morris & Hartwell, lawyers, of La Crosse, visited her Sunday. He is in the West attending to law cases in Seattle, Wash., and Vancouver, B. C., and could not stay long enough to go over our beautiful plant, which he regretted, but intends returning if not called on to return East on cases immediately, but will be with us again in the autumn to stop longer.

Last Saturday our baseballists went to Salem and crossed bats with the inmates of the Oregon State Prison. Our first thoughts were to allow them to beat us, but when the game commenced we had another thought, and this time we thought that if we could only beat these fellows we might be called ball players. We have learned that because a man is confined behind walls it is no reason to believe that he is worthless. Those fellows batted like Ty Cobbs, and the infielders gave us pointers on how to play the game. There were players in this team from the Three-Eye-League, Ohio State League, and representatives from various high schools and the team is a strong one. The final score standing 7 to 5 against us, with an invitation to come again.
