

PIANO RECITAL.

On Tuesday the piano pupils of Miss Irene Campbell appeared in chapel in a recital. Each student acquitted herself in a manner most creditable. As a class they did exceptionally well and should feel encouraged to continue their study and practice on serious lines. In some cases exceptional talent was evidenced. The class is a credit to the school. Following is the program as rendered:

- 1 The Storm - - - - Weber
Leanore Rainville
- 2 The Bell in the Valley - - - - Wenzel

LOCALS

Mr. Enright mad a trip to Salem on Tuesday.

The hills just across the river from us are covered with snow.

The plumbers have been doing a great deal of outside work lately.

The gardeners sorted potatoes during the rain that occurred this week.

Three distinct kinds of weather on on Tuesday; rain snow and sunshine.

Some very fine views of the school on post cards are now for sale at Mr. Henderson's store.

The Reliance Society held a special meeting on Monday evening to practic yells for the coming Reliance-Excelsior debate.

The seniors are now in school again after having been out for some time on account of their teacher, Mrs. Campbell, being at Spokane visiting her daughter-in-law, who is sick.

A lady employes' industrial meeting was held in the Domestic Science building on the evening of March 28. All were present with the exception of one or two, and a very profitable evening was spent in the discussion of important matters.

Cows require from one to eight ounces of salt per day. The more concentrates they receive the more salt they require. It should be where they can have access to it every day. According to an experiment made at the Wisconsin station, about two ounces per cow per day is the average amount required.
