

LOCALS

Wednesday, June 21, was the longest day of the year.

We were fortunate in having delightful weather for our commencement.

Now that school is out for the year many of the pupils are going home.

George Kross, a member of the graduating class, left this morning for his home in Tacoma, Wash.

Mr. C. E. Frye and family were out from Salem on Wednesday to attend the exercises of the day.

Pickering Chalcraft and George Doherty conducted an ice cream stand here during commencement.

Mr. Rainville came down from Eastern Oregon during the week and took his children home with him.

Quite a delegation from Salem was out on Sunday to hear the baccalaureate sermon by Rev. Bauer of Salem.

Ed Curl, an ex-pupil, attended our commencement exercises and returned home yesterday taking with him his brother and sisters.

The decorations in the chapel for the various commencement exercises were unusually attractive. Flowers, evergreens and pennants were the main features.

Capt. Carl Abrams and Lt. Gahlard of Co. M, 3rd Oregon Infantry, and Mr. U. G. Boyer were the gentlemen secured by Lt. Hall to act as judges of the competitive drill on Wednesday afternoon. George Kross and Joe Bittles, who acted as captains of Companies A and D respectively were given honorable mention for the manner in which they handled their men.
